# 1

BUGAIK [Busan\\_Ulsan\\_Gyeongnam Chapter of Architectural Institute of Korea](#) invited 35 architectural works for 2014 International Architecture Exhibition from 7 countries including Korea. The exhibition is held at College of Ocean Science and Technology Building, Korea Maritime and Ocean University in Busan, Korea as a program of 2014 Annual Academic Conference of BUGAIK. The purpose of 2014 BUGAIK International Architecture Exhibition is to promote mutual understanding of architectural cultures and friendships amongst architects and architecture faculties in the world. We expect that participants will have a good experience about the relationship amongst architects and architecture faculties from each nation at 2014 BUGAIK International Architecture Exhibition.

LEE Inhee,  
Chairman, BUGAIK International Architecture Exhibition Committee

BUGAIK [Busan\\_Ulsan\\_Gyeongnam Chapter of Architectural Institute of Korea](#) International Architecture Exhibition is an architectural design exhibition that, through its selection of well-designed works and emphasis on quality, originality, and creativity, presents current trends in contemporary design. With a tradition of 60 years, BUGAIK is one of the oldest regional academic institute of architecture in Korea. The organizer, the Committee of BUGAIK International Architecture Exhibition, is inviting submissions for the 2013 BUGAIK International Architecture Exhibition and will exhibit a selection of design projects. The organizer will select the works to be invited with the consideration of qualification of applicant and design work.

LEE Inhee,  
Chairman, BUGAIK International Architecture Exhibition Committee

## Preface

Busan-Ulsan-Gyeongnam chapter of architectural institute of Korea are welcoming you to the 2014 BUGAIK International Architecture Exhibition which for the fourth time is organized in Busan.

Our Exhibition hosted 35 architectural design works by professors and academic tutors from seven countries including United states, China, Japan, Italy, Canada, Germany, and South Korea. We are happy to invite the accepted architectural works for 2014 BUGAIK International Architecture Exhibition.

The Exhibition will offers an excellent opportunity to experience highly recent trends as well general tendency of contemporary architecture, and to communicate for understanding of professional environment of architectural design among participants. We hope that the exhibition will provide a environment for exchange of comprehensive design thinking on urban and architecture too.

Thank you for those who have applied to 2014 BUGAIK International Architecture Exhibition, and every member who are engaged in improving successful event.

2014. 11. 20

Yee, Jurng-Jae

President, Busan-Ulsan-Gyeongnam chapter of architectural institute of Korea

(사)대한건축학회 부산울산경남지회의 2014 국제초대건축전(BUGAIK International Architecture Exhibition)의 개최를 기쁘게 생각합니다. 이 작품전은 올해로 4회를 맞이하게 됩니다. 2014 국제초대건축전에는 미국, 중국, 일본, 이태리, 캐나다, 독일, 한국의 7개국의 건축과에서 학생을 지도하고 계신 교수분들의 우수한 35작품이 초대되었습니다. 대학에서 학생들을 지도하고 있는 교수들의 작품들에서는 건축과 도시의 환경에 기여하고자 하는 학자적인 건축가의 고민이 알 수 있는 것이 특징입니다. 아울러 이 작품전은 각 국의 현대 건축의 경향을 전달하고, 참가국들의 건축과 교수들의 소통의 장이 된다는 점에 커다란 의의가 있다고 생각합니다. 보다 발전적인 국제초대건축전의 미래를 위해 많은 분들의 관람과 활발한 참여를 부탁드립니다. 끝으로 이 작품전의 성공을 위해 노력해주신 국제초대건축전 운영위원장 및 운영위원들에게 감사드립니다.

2014 . 11 . 20

이정재 (사)대한건축학회 부산·울산·경남지회장

## Introduction of **BUGAIK** Busan\_Ulsan\_Gyeongnam Chapter of Architectural Institute of Korea

The Architectural Institute of Korea, the sole academic organization of architecture in Korea, has aimed at the advancement of architecture and the development of architectural innovations. The institute was founded in 1945 by the pioneers of Korean architecture. In collaboration with other related associations, AIK strives to promote and introduce advanced knowledge and academic research and to develop and popularize major innovative technology. The Busan-Ulsan-Gyeongnam Chapter of Architectural Institute of Korea(BUGAIK) was founded in 1947 with the vision of contribution for improvements in education and policy to meet the rapidly changing demands of today's society.

### Goal & Vision

The goals of BUGAIK are to study and practice the technology and art concerning architecture and construction, and to improve architectural culture by raising the social standing of architectural professions and by promoting friendship among BUGAIK members.

### Members

The BUGAIK has also approximately 1,900 registered members. They are of various occupations, such as architects, researchers, professors, students, and public officials, with additional library members and special members from 25 universities, several government offices and design companies in Busan, Ulsan city and Gyeongnam province.

### Boards & Committees

The BUGAIK is governed by councils and boards and consists of 12 committees. The General Assembly are held once a year and Councils are held usefully a year. Academic conferences, symposia, seminars and lectures are held regularly, with publications of journals and proceedings.

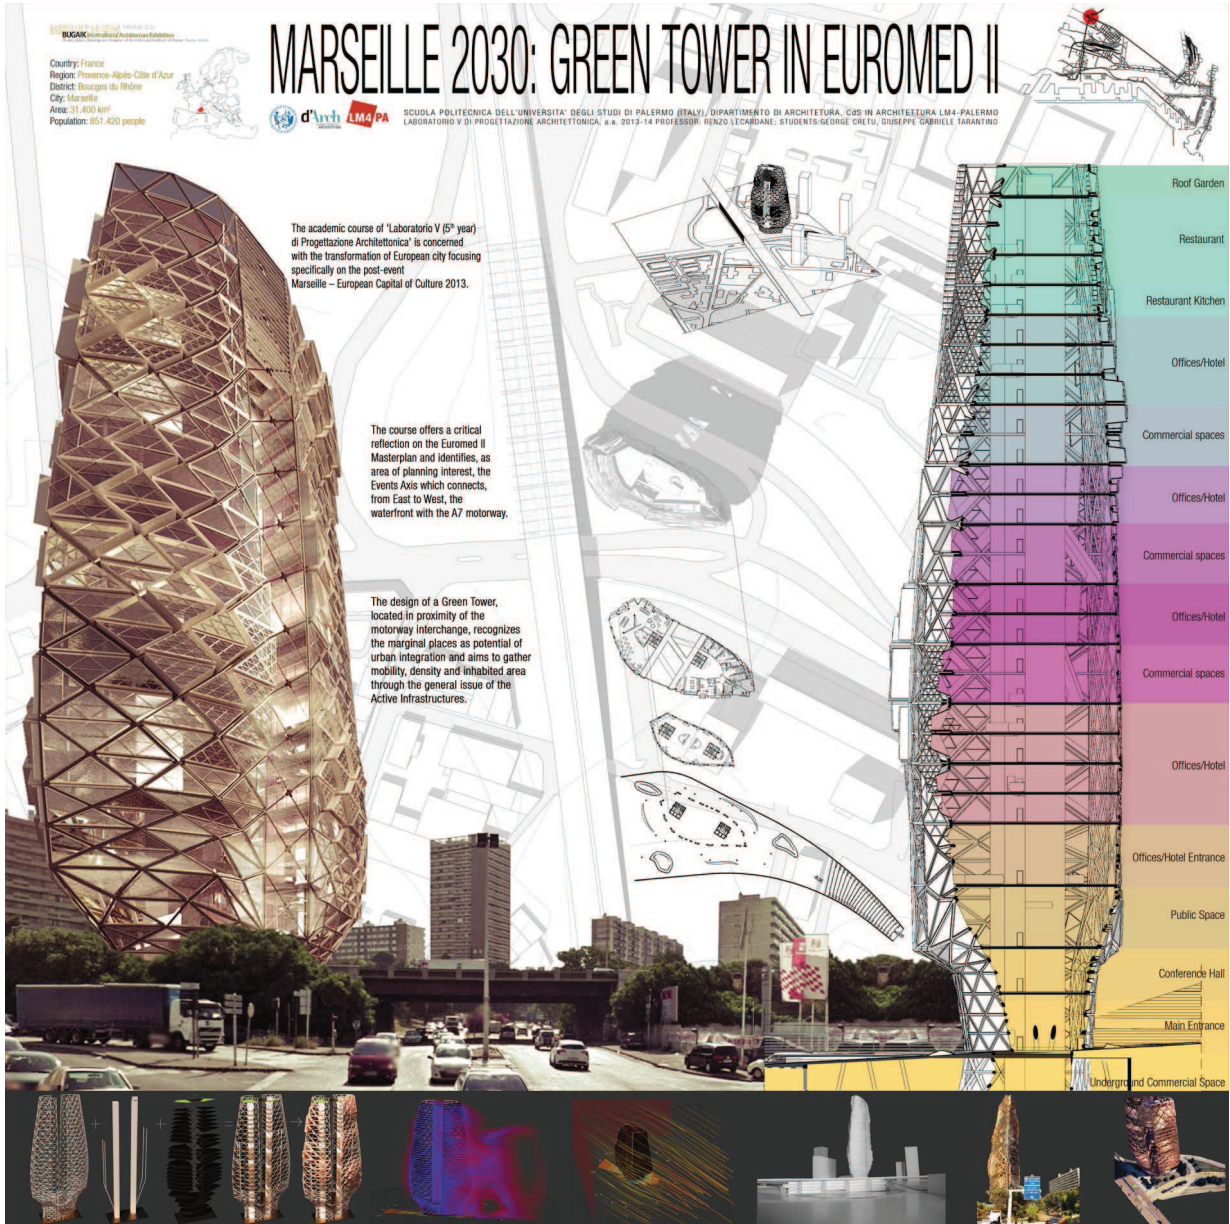

### EVENTS

The annual academic conferences and general assembly are held once a year with various symposia, seminars, lectures and exhibitions like below.

- annual academic conferences
- regular seminars and forums
- international architecture exhibition
- architectural photograph exhibition
- exhibition of selected student's design works
- design workshops and tours
